Project Description  
(use additional pages if necessary)

Please attach items that will assist in the review process such as drawings, plans, blueprints, pictures, etc. For exterior painting, a 3'x3' sample must be applied to the home for ACC Approval. Trim color must be Parker Shell White #5770W or Sherwin Williams, Duration White #FWDC14992 or color matched. Fence stain must be Olympic Aspen Tan #920 or color matched. Roofing material must be IKO-Cambridge (50AR, 40, 30AR, 30) NW Driftwood or texture / color matched.

The City of Tacoma requires permits for some projects. Once your project is approved by the ACC, it is the Homeowners responsibility to obtain any necessary permits from the City of Tacoma before proceeding.

All projects must be completed within 6 months of the Start Date.

Return the completed application to a Board Member, or email@heritageparkhoa.net. The ACC will make every effort to respond in writing within 10 days. Drawings, photos, etc. will not be returned unless requested.
